

ALP-RBHS Alumni Virtual Café Fall 2020

Greetings ALP-RBHS Alumni,

We are excited to launch a series of virtual alumni cafés to build upon the connections made during ALP-RBHS. These cafes are intended to be an informal space to reconnect with colleagues, meet fellows from the other cohort, and engage in conversation on a particular topic. The event will be facilitated by the Center for Organizational Leadership but there will be no formal presentation.

For the first session, we will focus on the leadership challenges and opportunities posed by Covid-19. Participants will be able to interact in the main room and in small groups (depending on number of attendees) by choosing 2 breakout sessions based on areas of interest:

- Clinical Operations
- Remote/Virtual Teams
- Classroom/Teaching Activities

We will offer this session at two separate times to account for various schedules and availability:

- Tues., November 17 at 4:30pm - [registration link](#)
- Wed., December 9 at 1:00pm - [registration link](#)

We invite you to **select one of the above** and register to attend. After registering, you will receive a confirmation email containing Zoom details.

If you are interested in facilitating a future session, or have an idea for a future discussion, please contact Sara Spear.
