As we do not yet have a successor agreement, Extramural Support Incentive Awards will be processed for FY2019 in accordance with the July 1, 2013 – June 30, 2018 collective negotiations agreement between Rutgers and AAUP-BHSNJ (Agreement). To qualify for an award, an AAUP-BHSNJ negotiations-unit faculty member must have some of their salary supported on extramural research grants or other extramural research support. However, negotiations-unit faculty members who are required to support a percentage of their salaries using outside grant funds as a condition of employment (e.g., coterminous faculty) shall not be eligible for awards under this program. Librarians in the negotiations unit are eligible for their own award program if they are both a principal investigator and the principal author of an externally-funded program which provides support for their salary.

Based on the negotiated terms, if the bargaining-unit member has submitted a grant prior to November 15, 2015, they were given the choice to be awarded under the prior AAUP-BHSNJ Extramural Support Incentive program or the 2013-2018 AAUP-BHSNJ Extramural Support Incentive program. In either case the bargaining-unit member may use the same form but will need to note the incentive plan previously selected.

Please distribute notice of this program to your eligible negotiations-unit members. In order to confirm eligibility for the award for FY2019 and to initiate payment, a negotiations-unit member must complete Part A of the appropriate form, including obtaining the required signatures, and submit it to the business manager of the School. A completed and signed form must be submitted to the School’s business manager by **August 16, 2019**, in order to receive an award for FY2019.
