

TERMS ASSOCIATED WITH NON-TENURE TRACK FACULTY TITLES

Updated: April 5, 2021

The RBHS Policies and Guidelines Governing Appointments, Promotions, and Professional Activities (A & P Guidelines) of the Faculty speak to the length of faculty appointments; they can be found at <https://facultyaffairs.rbhs.rutgers.edu/appointments-promotions/faculty-appointments-and-promotions-guidelines/>. The A & P Guidelines apply faculty whose primary appointment is to a legacy UMDNJ school, department, Center, Institute or program in RBHS but not to faculty whose primary appointment is in legacy Rutgers with an FTE of greater than 0.5.

Please find below a brief summary of the term lengths for the non-tenure tracks. Please review the A & P Guidelines for the full and specific language.
