2020 HIGHLIGHTS

Vascular complications associated with COVID-19:
• How to recognize and treat them

Cutting-edge neurovascular intervention updates:
• Endovascular interventions using the latest new devices

Heart-brain:
• Advanced hemodynamic management for severe brain injury
• Neurovascular diseases related to heart disease

Hot topics and controversies:
• How to make decisions on complex cases when there are no class I recommendations available

CME/CE Certified Activity Jointly Provided by Rutgers Robert Wood Johnson Medical School, Departments of Neurology and Neurological Surgery, and RWJBarnabas Health.
COURSE DIRECTORS' MESSAGE

Welcome to our second annual CME course on Stroke and Neurocritical Care (SNCC): Advanced Neurological and Neurosurgical Emergencies and Critical Care. This year has been extremely challenging for healthcare providers due to the pandemic. The symposium this year will be conducted virtually, taking place over the course of one day, dedicated to cutting-edge medicine and addressing various types of vascular complications that are associated with COVID-19.

We will hear the opinions of experts on important topics, providing a paucity of data from randomized controlled trials. Although the field has brought advances toward improving outcomes for patients who are neurocritically ill, in many instances, especially functional, outcomes remain poor. Emphasis will be on improving care for the primary neurocritical condition, better recognition, prevention, and correction of medical complications and secondary brain injury. Examination of healthcare delivery, management strategies and identification of individual thresholds by means of advanced technology will all play important roles. Neurocritical care and research is a multidisciplinary and multiprofessional effort, and neurointensivists are tasked to lead this effort to further advance their field.

Please join us for this exciting second annual CME program on Stroke and Neurocritical Care!

Kiwon Lee, MD, FACP, FAHA, FCCM
Professor and Chief of Service, Department of Neurology
Chief of Stroke and Neurocritical Care Division
Director of Comprehensive Stroke Center and Neurocritical Care Unit
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Anil Nanda, MD, MPH, FACS
Professor and Chair, Department of Neurosurgery
Rutgers, The State University of New Jersey
New Jersey Medical School & Robert Wood Johnson Medical School
Peter W. Carmel M.D. Endowed Chair of Neurological Surgery
Senior Vice President of Neurosurgical Services
RWJBarnabas Health

PROGRAM DESCRIPTION AND OBJECTIVES

This second annual Stroke and Neurocritical Care (SNCC) Symposium is designed to provide physicians and allied healthcare professionals a comprehensive overview on the cutting-edge management for cerebrovascular diseases and neurocritical care including useful information on recognition and treatment of neurological emergencies that are related to COVID-19. Topics to be covered include neurovascular surgery, cerebrovascular emergencies, and neurocritical care. In addition, medical crossfire debates from experts in the field, will provide spirited discussion and debates on a particular critical issue.

Upon completion of this activity, participants should be better able to:

- Assess the latest evidence-based medical literature in acute neurological and neurosurgical emergencies and how to resuscitate patients with injured brains due to various etiologies.
- Discuss latest trends in acute stroke therapeutics.
- Describe the emerging research in neurological and neurosurgical emergencies.
- Recognize key methods for treating multiple end organ system failures that occur in patients with acute brain injury.
- Review the latest guidelines on ischemic/hemorrhagic stroke, neurotrauma and neuro-intensive care medicine.
- Evaluate expert recommendations for recognizing and treating vascular and other neurological complications that are associated with COVID-19.

TARGET AUDIENCE

This activity is designed for physicians, surgeons, advanced practice nurses, nurses, physician assistants, residents and fellows, paramedics, and emergency medical technicians working in the fields of anesthesiology, critical care, emergency medicine, hospital medicine, neurology, neurosurgery, physical and rehabilitation medicine, pulmonary, trauma, and vascular medicine, neurosurgery, and surgery whose practice focuses on the diagnosis, management, and treatment of patients with neurological and neurosurgical emergencies.
KEYNOTE SPEAKER
Tudor G. Jovin, MD
Professor and Chair, Department of Neurology, Cooper Medical School of Rowan University
Chair, Department of Neurology, Cooper University Hospital
Director, Cooper Neurological Institute, Cooper University Health Care

RUTGERS BIOMEDICAL AND HEALTH SCIENCES AND
ROBERT WOOD JOHNSON UNIVERSITY HOSPITAL SPEAKERS

Roger Cheng, MD
Assistant Professor of Neurology
Division of Stroke and Neurocritical Care
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Ram Gowda, MD
Assistant Professor of Neurology
Division of Stroke and Neurocritical Care
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Gaurav Gupta, MD
Associate Professor of Neurosurgery
Director, Cerebrovascular and
Endovascular Neurosurgery
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Stephen Johnson, MD
Assistant Professor of Neurology and Neurosurgery
Rutgers Robert Wood Johnson Medical School

Priyank Khandelwal, MD
Assistant Professor of Neurology and Neurosurgery
Rutgers New Jersey Medical School

Kiwon Lee, MD, FACP, FAHA, FCCM
Professor and Chief of Service
Department of Neurology
Chief of Stroke and Neurocritical Care Division
Director of Comprehensive Stroke Center
and Neurocritical Care Unit
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Deviyani Mehta, MD
Associate Professor of Neurology
Associate Program Director, Neurology Residency
Site Fellowship Director, Vascular Neurology
Division of Stroke and Neurocritical Care
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Raymond Mirasol, MD
Assistant Professor of Neurology
Division of Stroke and Neurocritical Care
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Anil Nanda, MD, MPH, FACS
Professor and Chairman
Department of Neurosurgery
Rutgers New Jersey Medical School and
Rutgers Robert Wood Johnson Medical School
Peter W. Carmel M.D. Endowed
Chair of Neurological Surgery
Senior Vice President of Neurosurgical Services
RWJBarnabas Health

Emad Nourollah-Zadeh, MD
Assistant Professor of Neurology
Division of Stroke and Neurocritical Care
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Sudipta (Sid) Roychowdhury, MD
Clinical Professor of Radiology,
Neurosurgery and Neurology
Director of Interventional Neuroradiology
Rutgers Robert Wood Johnson Medical School
Director of Magnetic Resonance Imaging
University Radiology Group

Igor Rybinnik, MD
Associate Professor of Neurology
Division of Stroke and Neurocritical Care
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Hai Sun, MD, PhD
Associate Professor of Neurosurgery
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Stephen Wong, MD
Associate Professor of Neurology
Chief, Division of Epilepsy
Rutgers Robert Wood Johnson Medical School
Robert Wood Johnson University Hospital

Faculty Disclosure: All individuals who affect the content of continuing education activities are required to disclose to the audience any real or apparent conflict of interest related to the activity. The activity faculty are further required to disclose discussion of off-label/investigational uses in their presentations. These disclosures will be made to the audience at the time of the activity.
## 2020 Symposium Agenda

### Neuro-Emergencies During the Pandemic

<table>
<thead>
<tr>
<th>Time</th>

### Closing remarks and information on next year’s meeting

- Kiwon Lee, MD
GENERAL INFORMATION

Registration Fee: Complimentary

Pre-registration is required.
Registration for the symposium can only be accepted through our secure online website until November 3, 2020.

To Register: rutgers.cloud-cme.com/2020SNCCSymposium

Confirmation
Once registered, you will receive an email confirmation. As the activity approaches, you will receive additional information to assist you with your plans to participate in this activity.

Course Material
In an effort to provide the most complete materials to attendees and conserve resources, PDF versions of the lecture slides will be made available on-line to registered attendees. Additional information will be provided in future confirmation communication.

Virtual Live Meeting via WebEx
Additional information and instructions for WebEx access will be emailed to registrants the week of November 2, 2020.

In support of improving patient care, this activity has been planned and implemented by Rutgers Biomedical and Health Sciences and RWJ Barnabas Health. Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

PHYSICIANS – Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES – This activity is awarded 6.75 contact hours (60-minute CH). Nurses should only claim those contact hours actually spent participating in the activity.

PHYSICIAN ASSISTANTS – Rutgers Biomedical and Health Sciences has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 6.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Method of Participation
In order to meet the learning objectives and receive continuing education credit, participants are excepted to formally register for the activity, watch the webinar and complete the online evaluation form at the conclusion of the activity. A CE certificate will be emailed to participants upon completion of the online evaluation survey.

For any other questions, concerns, or if you require special arrangements to attend this activity, please contact CCOE by email at ccoe@rbhs.rutgers.edu.

Rutgers and RWJBarnabas Health reserve the right to modify program content, faculty and program activities. It also reserves the right to cancel the activity if necessary.
